

NEED A MENTOR?

Shaathi Mentoring Project is delivering a Young Offenders Programme for Young People and Adults who are from BAME (Black, Asian Minority Ethnic) Community and are aged from 15 - 25 years, who live, study or work in the London Borough of Tower Hamlets and are known to the criminal justice system.

The aim of the programme is to:

- Provide positive role models
- Raise (their) self-confidence, esteem and career aspirations
- Promote and encourage healthy life styles
- Reduce youth conflict
- Provide social, practical and emotional support
- Reduce offending and anti - social behaviour
- Improve social communication and life skills
- Direct or refer clients to complementary services
- Provide a culturally sensitive service
- Provide motivation and support for families and carers
- Offer formalised training, workshops and residential breaks
