## There is no stopping Osmani now!!

Osmani Badminton Academy continued from where they left their previous home match, this time winning against Finsbury Badminton Club. It was another convincing result of 7-2 with two pairs winning all their matches and the last pair winning one and losing two. Aminur Rahman, the club captain said "Initially our aim was to stay up in this league, however promotion seems like a real possibility now. These are real exciting times for the Academy"

The Academy is working closely with Middlesex Badminton and Badminton England and will be part of a proposed steering committee to centralise badminton in Tower Hamlets. Osmani Badminton Academy is a club run by the Osmani Trust under the Healthy Futures project, and they are currently recruiting Junior players to join the club.
